

THE CONFERENCE FOR FAMILY BUSINESS

families who learn together grow together

Darwin Convention Centre 13, 14 & 15 August 2009

Family Business Australia to host FBN NxG 'down under' in 2009

Old World meets New World:
Join the future business leaders of family businesses from around the world, as Family Business Australia hosts the FBN International Next Generation group!

Darwin, your host city, is the capital city of Australia's Northern Territory, a young, vibrant, tropical city perched on a peninsula with sea on three sides. Darwin provides world class conferencing and accommodation facilities, sizzling Asian flavours, spectacular sunset cruises and the rhythms of multicultural living. It has a relaxed outdoor lifestyle and enjoys warm weather and alfresco dining all year round.

Its colourful history has contributed to Darwin's cultural diversity – more than 50 nationalities make up its 100,000 population, including the area's traditional landowners, the Larrakia Aboriginal people.

Darwin is an excellent base from which to explore the natural attractions of World heritage listed Kakadu National Park, Litchfield and Nitmiluk National Parks, the Tiwi Islands and Arnhem Land.
