

# Family Business Best Practice Awareness Workshop

## FIVE reasons YOU should attend:

- Understand your business issues & challenges
- Find out what makes other family businesses successful
- Learn strategies to deliver competitive advantages for your business
- Enhance the professional capabilities of your business
- Develop a network of support from like-minded businesses

Join us to find out how YOU can professionalise YOUR business and improve YOUR competitive advantage

**Do you work with other members of your family?**

**Would you like to learn more about successful families in business?**

**Are you looking for ways to gain that competitive edge?**

**Do you manufacture in Australia?**

If you answered "Yes" to any of the questions above, then this workshop is for you!

This workshop was developed by the Australia Centre for Family Business at Bond University - Australia's leading family business education and research provider, in conjunction with Family Business Australia.

Family businesses have a *distinct competitive advantage* - you just need to learn how to harness it, build on the positives and manage the challenges.

This workshop delivers evidence based information about the processes and structures used by the most successful family businesses - both in Australia and internationally.

### Who should attend?

- Businesses that manufacture in Australia
- Family business leaders
- Family members from multiple generations
- Husband and wife teams
- Next generation of the family
